

Head Teacher message

We have had a lovely 4 days back at school. The children all look well rested and ready for the final half term. We have some exciting trips and events coming up this half term so please keep checking class dojo for new things. If you still do not have class dojo please speak to your child's class teacher and we can get it sorted for you. As ever if there is anything you need please get in contact. #StrongerTogether

Year 6 trip

Yesterday Year 6 went to the fire station and learnt about a range of ways to keep themselves safe. They learnt about rail, road, water and electrical safety as well as CPR. They all had a great time and their behaviour was outstanding.

Ice Cream Sale

Just a reminder that after school every evening we will be selling canned drinks and ice creams from Mrs McDougall's office window. All items cost £1. All money raised will go towards a special treat for all the children

Year 6 important Dates

Safeguarding - Talking to your child about online mistakes

The online world is difficult to navigate, and mistakes will happen. When they do, it is important that as a parent you are ready.

Stay Calm

If your child tells you about something that they have done wrong online, then try to stay calm and listen.

Be Honest

You may not know how to solve the issue but tell them you will help them work it out.

Solve It Together

Try and resolve the problem together to help your child learn and understand what went wrong. This will also develop their digital literacy skills.

You should also take the opportunity to review/set up any available parental controls.

Help and Support

If you feel like you need support from an external organisation, then Parent Zone have listed some of the different organisations available:

Nut Free School

Please can I remind you that we are a nut free school.

We do have children who are allergic to any kind of nuts. Please check what you are putting in your child's lunchbox. Please also make sure if your child has chocolate spread in their sandwich it is the plain chocolate one and not nuttela.

Nursery Places

Is your child 3 (or going to be 3 soon). We have places available for our Caterpillar's Nursery. We offer 15 and 30 hours funding and additional hours are allowed. For all Nursery children starting in September we will be offering an extra 15 hours for FREE! If you know anyone who is looking for a nursery place please ask them to contact the office and book a tour.

Can you help or do you know of any companies who might be able to help?

Pioneer Pupil Passport

We want to be able to provide all of our children with memorable opportunities and experiences that they may not otherwise have had.

As far as possible we endeavour to provide all these activities at no cost to pupils. We want every child to have the chance to try things out, to get a taste of the world around them, to see and do things that they wouldn't usually do or go to places they wouldn't normally go. The cost to provide these experiences to all our children is in the region of £120,000 every year.

We have therefore started a Crowdfunding project with the aim of raising these funds.

If you are able to contribute to this very worthy cause, either visit the website below or use the QR code.

<https://www.crowdfunder.co.uk/p/pioneer-pupil-passport>

Seven years ago, following extensive consultation with children, staff and senior leaders in all our schools - The Pioneer Academy developed The Pioneer Pupil Passport programme. The Passport offers activities such as; visit the theatre, attend a sporting event at a professional venue, visit the zoo, take a trip to the beach and 14 other exciting experiences. Since then the trust has been investing heavily in this to enable every child to have the chance to try things out, to get a taste of the world around them, to see and do things that they wouldn't usually do or go to places they wouldn't normally go. Sadly, the cost to provide these experiences to all our children is in the region of £120,000 every year.

We are passionate about this scheme but every year it becomes harder and harder to fund. TPA have therefore started a crowdfunding project to raise funds for this very worthwhile cause and further details can be found here - <https://www.crowdfunder.co.uk/p/pioneer-pupil-passport>. If you are able to support we would be hugely appreciative. If you would like your donation to come directly to your child's school rather than to the wider Trust pot, please indicate this when you donate by naming the school.

Exciting visits and inspiring visitors are an entitlement of every child within our family of schools, and we actively encourage creativity and innovation in providing these experiences. We have seen first-hand how curiosity is sparked in children when they are given the chance to experience new places and situations. The whole trust is so proud that our Pioneer Pupil Passports provide children with memorable opportunities and experiences they may not otherwise have had. Please help us to keep this project alive – we cannot emphasis enough the enrichment it brings to so many of our children.
